

Q1 What do you think are the priorities for improving Norwood? (select up to 3)

Answered: 139 Skipped: 0

| ANSWER CHOICES | RESPONSES | |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------|----|
| A1 - Town Centre. Making the town centre more vibrant, with fewer vacant shops, and a wider range of shops, services and facilities, as well as places to eat and drink and go out to in the evenings or weekends. | 65% | 91 |
| A2 - Shops and Local Services. Having more shops and local services throughout the neighbourhood (i.e. not just town centre). | 11% | 15 |
| A3 - Local Business support. More opportunities and support for local people who wish to start their own business in the area, including measures to boost inward investment. | 24% | 34 |

| | | |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|----|
| A4 - Local jobs opportunities. Increasing the number and quality of jobs in the area, as well as better local access to training, childcare, transport facilities to support local jobs. | 14% | 20 |
| A5 - Affordable housing. An increase in residential buildings in the area with more affordable housing to rent or buy. | 20% | 28 |
| A6 - Community Services. More and better community spaces and services e.g. schools, children's play areas, youth facilities, places of worship, indoor and outdoor sports centres, theatre/cinema | 19% | 27 |
| A7 - Public Spaces. Identifying, protecting and improving important green spaces, views, historic buildings, features and other public space. | 33% | 46 |
| A8 - Traffic and Parking. Addressing traffic and parking issues including traffic congestion and improving traffic flow, routing of vans and lorries down residential streets, pollution and parking availability. | 29% | 40 |
| A9 - Safer, cleaner streets. The delivery of cleaner, safer and more accessible streets that prioritise pedestrians and cyclists | 17% | 24 |
| A10 - Public Transport Improvements. Better public transport – more services generally, better ones going east –west, more reliable services, more capacity at peak times | 16% | 22 |
| A11 - Better Enforcement. Improving enforcement, for example on areas such as new building development, bin waste, dog waste, speed limits. | 17% | 24 |
| A12 - Future Building development. Ensuring new building and urban development takes account of community expectations | 14% | 20 |
| A13 - community influence. More opportunities and greater representation for the community to engage and influence what happens in Norwood. | 13% | 18 |
